2017 LOVE OF LIBATIONS

The Moana Surfrider presents **Love of Libations**, a Crafted at Westin signature series inspired the local tradition of *pau hana*, Hawaii's happy hour, with an evening of thoughtfully selected libations, small bites and great company.

Each Love of Libations or "LOL" event will feature a sampling of signature beverages chosen by our expert sommeliers and mixologists. Our host will share each drink's story, from background and ingredients to its special characteristics, so that guests can later share with family and friends. Questions and discussion are welcome in this casual, interactive setting.

Held on the outdoor veranda of Vintage 1901 from 5:30 pm to 7:00 pm, LOL guests will learn, sip and share while enjoying cool breezes and ocean views— the best way to start the weekend.

\$30 per person, including applicable gratuity and taxes.

Guests 21 years and over welcome.
